SAVE-A-TREE

This year, consider an "earth-friendly" way of giving the holiday spirit by sponsoring the planting of a living tree!

Troop 341 will join in a local forest restoration project. For each \$20 Save-A-Tree donation, the Scouts of Troop 341 will plant a native tree to preserve the environment. Your donation will also support the scouting programs of Troop 341.

Your Save-A-Tree donation may be made in honor of a loved one who will be appropriately recognized.

Living trees are good for people, good for the environment, and a lasting Christmas gift for future generations.

SATISFACTION GUARANTEED!

If you are dissatisfied with your tree or plant for any reason, we will replace it or refund your money. WE HAVE A NEW POINSETTIA SUPPLIER.
